SUSDEV Kick-Off Meeting

## Siberian Federal University

Krasnoyarsk, Russia

Krasnoyarsk

Krasnoyarsk is located 4065 kilometers from Moscow along the Trans-Siberian railway. It takes about 2 days and 10 hours to get there from Moscow by train and about 4.5 hours by plane.

Siberian Federal University was founded by merging 5 major Krasnoyarsk institutions of higher education.

November 4, 2006 The Prime Minister of Russia Mikhail Fradkov signed a decree to rename Krasnoyarsk State University into "Siberian Federal University" merging it with the following educational institutions: Krasnoyarsk State Architectural and Construction Academy, Krasnoyarsk State Technical University and the State University of Nonferrous Metals and Gold.
