Information letter

Kh. Dosmukhamedov Atyrau University invites you to take part in the International Scientific and Practical Conference "**Generation of the Future: Experience and Prospects of Science and Education**", dedicated to the 70th anniversary of the prominent scientist, public figure, Doctor of Pedagogical Sciences, Professor Askhat Salimovich Imangaliyev, which will be held **September 22, 2023**.

The purpose of the conference is to discuss topical issues in the field of science and education, ensuring the quality of higher education in the context of global changes.

The main directions of the conference:

- Transformation of the teacher's activity in the modern educational process: problems, realities, prospects;
- Traditions and innovations in the professional training of teachers for all levels of education;
- Psychological and pedagogical aspects of preparing specialists for work in an inclusive educational environment.

Working languages - Kazakh, Russian, English.

The Organizing Committee plans to publish the conference materials in electronic format. To be included in the program, it is necessary to submit to the address of the organizing committee by **September 17, 2023** the registration form of the participant, the report in electronic form.

Conditions for participation:

In order to be published, articles must be designed in strict compliance with the following requirements:

1. The text of the article (report) of at least 4 pages and the registration form should be typed in MS Word.
2. Tables, schemes, figures should be titled and typed in Windows.
3. Margins: top - 2.5 cm, bottom - 2.5 cm, right - 2.0 cm, left - 2.5 cm.
4. Font: Times New Roman, KZ Times New Roman, font size - 12.
5. Interval: single.
6. On the first line of the sheet on the left, be sure to indicate the SRNTI.

7. Paragraph indent (red line): 1.25 cm.

8. On the next line - in the center is the title of the article in capital letters (bold type).

9. Under the title of the article - in the center in lowercase letters (in bold) the initials of the name, patronymic and surname of the author (s).

10. Below: full name of the institution where the work was done (in bold).

11. One interval (empty line) after the paragraph indentation - directly the text of the article.

12. Through the line - Annotations containing at least 4-5 sentences, and the title of the report in three languages: Kazakh, Russian and English.

13. Keywords (4-5 words) in three languages.

14. At the end of the manuscript is a list of references, drawn up in accordance with GOST (government standard) 7.1-2003, the text indicates the reference numbers in the order of citation. The table and graphic materials are located in the text of the article. Drawings are made by vector graphics in **cdr, pdf** formats.
