

**MINISTRY OF SCIENCE AND HIGHER EDUCATION OF THE REPUBLIC
OF KAZAKHSTAN**

KAZAKH ACADEMY OF SPORT AND TOURISM

INFORMATION LETTER

Dear colleagues!

We invite you to take part in the Forum "Priority scientific and pedagogical directions for the development of physical education, sport, tourism, education and science", which will be held from April 12 to 14, 2023 on the basis of the Kazakh Academy of Sport and Tourism, Almaty.

Within the framework of the Forum, it is planned to hold 3 independent events related to a single goal: systematic consideration and discussion of the issues of updating professional information and improving the system of training specialists in the field of physical education, sport, tourism, and education.

Forum events:

- ✓ I International scientific-practical conference "Actual issues of the practice of physical education, sport, tourism, and education" (April 12, Annex 1);
- ✓ Round table "Actual problems of professional training" (April 13). The round table will discuss the following issues:
 - 1) The work of specialists in the preparation of highly qualified athletes.
 - 2) Topical issues of Professional Training in Higher Education Institutions
- ✓ Exhibition of scientific projects.

The Forum will be attended by leading scientists in the field of physical education and sports; teachers and young scientists of universities, undergraduates and doctoral students; administrators, methodologists, and teachers of educational organizations; specialists in the service sector (restaurant business and hotel business, tourism); specialists in the field of initial military training and military affairs, pedagogy and methods of primary education.

Based on the performance of the Forum, an independent publication will be published: Materials of the 1st International Scientific and Practical Conference Actual Issues of the Practice of Physical Education, Sports, Tourism, and Education.

For information support of the Forum participants, a website has been created at: <http://test.olymp-academ-edu.kz/01/index.html>

To become a participant, you must register on the Forum website no later than April 2, 2023.

Participation is allowed both in the Forum as a whole and in individual events of the Forum.

The organizers of the Forum carry out the primary examination and selection of scientific materials.

Expenses for travel, accommodation, and meals are at the expense of the sending party.

If it is necessary to organize a meeting of participants, please inform the Organizing Committee by e-mail or by phone 5 days before arrival (in the "Subject" field of the application for participation in the Forum events, you must indicate "Meeting of participants from other cities").

Address of the organizing committee: Almaty, Abay avenue, 85

Head of the technical group of the forum Svetlana Vitalievna Tokareva, e-mail science.kazastconference2023@gmail.com, tel. +7 7714114716.

Kenzhebekova Gulsin Ualiyevna-87077164322

To the information letter on the Forum "Priority scientific and pedagogical foundations for the development of physical education, sport, tourism, education, and science"

**I International Scientific and Practical Conference
"Actual issues and innovations in the practice of physical education, sport, tourism, and education" April 12, 2023**

The purpose of the Conference is the international exchange of experience and results of scientific research in physical education, sport, tourism, and education.

The work of the conference will be organized in the following areas (sections):

1. Topical issues of professional training in physical education, sport, tourism, and education.
2. Innovative technologies in physical education, sport, tourism, and education.
3. Psychological-pedagogical and social problems of physical education, sport, tourism, and education.
4. Actual problems of training military personnel, taking into account the integration of educational and everyday activities in modern conditions.
5. Promising areas of training qualified athletes.
6. Management of the sports and tourism industry.
7. Prospects for the development of health-improving and adaptive physical education.

Conference Regulations: presentation up to 7 minutes

Conference working languages: Kazakh, Russian, English.

Format of participation in the Conference:

- ✓ with the report and publication of the article, including online mode;
- ✓ with a report without publishing an article, including in online mode;
- ✓ without a report, with the publication of an article.

WITHIN THE FRAMEWORK OF THE CONFERENCE, IN EACH SECTION, A COMPETITION FOR THE BEST SCIENTIFIC REPORT WILL BE HELD AMONG THE SPEAKERS!!!

Conference presentation requirements

The report should reflect the main content of the independent study. In the introductory part of the report, the purpose and problems of the study should be presented. The main part - is the theoretical and practical provisions of the study. In the final part - a conclusion follows the goal of the study. The duration of the report is up to 7 minutes. A computer presentation is required. The participants of the conference answer the questions of the members of the jury and the participants of the section.

Based on the results of the conference, a proceeding of scientific papers will be formed in electronic form with subsequent placement on the Internet and the website of the Kazakh Academy of Sport and Tourism. The Organizing Committee draws attention to the fact that the originality of the texts of the articles must be at least 40%. The materials submitted to the conference are not reviewed and are printed in the author's edition. Works that do not meet the specified requirements and have not passed the check for borrowing (anti-plagiarism) will not be accepted for publication.

To participate in the Conference, it is necessary until April 2, 2023, inclusive, to follow the link of the scientific forum website <http://test.olymp-academ-edu.kz/01/index.html>:

- ✓ fill in the application form for participation in the conference;
- ✓ in case of participation with the publication, send the article, formatted following the **Requirements for the formatting of the text of the article**, to the email address indicated on the page of the scientific forum website. The subject of the letter is “Conference participant”, a file in .doc or .docx format should be titled with the name of the speaker, for example, “Koller_article”.

ARTICLES RECEIVED AFTER 04/02/2023 WILL NOT BE PUBLISHED!

Registration fee for conference participants - 5000 tenge (or equivalent in Russian rubles, US dollars, Euros).

Payment for participation in the conference is made after receiving a message about the acceptance of materials, with detailed information on how to pay the registration fee. When transferring payment, it is necessary to make a note “Conference participant”, as well as indicate your full name.

REQUIREMENTS FOR FORMING THE TEXT OF THE ARTICLE

Only original materials not previously published in other printed or electronic editions are accepted for publication in the collection. The recommended volume of the article is from 3 to 6 A4 pages. Materials are sent in .doc, .docx format.

Margins 2 cm on all sides, page width alignment, no hyphenation, Times New Roman font, size 12, line spacing - single, paragraph indent in the text - 1 cm. Page numbers are not put down.

In the upper right corner - the name of the section in which the publication is presented.

On the next line - the title of the article is in **CAPITAL LETTERS**, bold, center alignment. Then - indent one blank line.

Below - are the author's surname and initials (in bold), status (undergraduate, doctoral student, etc.), the name of the department and faculty, and the full official name of the educational institution.

Below - are the surname and initials of the co-authors (in bold), academic degree, academic title, and the full official name of the organization he represents.

Each article is allowed no more than 5 co-authors, including the student.

Then - indent one blank line.

Below is an abstract (100-200 characters), that should not repeat the title, and should accurately reflect the content of the article: issues, research methods, and main results.

Then - keywords - 5-10 words.

Further, after indenting into one empty line, the title of the article in English in **CAPITAL LETTERS**, bold, center alignment, on the next line the surname and initials of the author and co-authors in English, an abstract (100-200 characters) and keywords in English on the next line language. Further, after an indent in one empty line, the main text of the article.

Mandatory sections of the article: **Relevance; Organization and methods of research; Research results; Conclusions; Literature** (sections of the article in the text are highlighted in bold). References to the literature in the text of the article are indicated in square brackets [2], and the list is built as the sources are mentioned in the text. All direct quotations must be enclosed in quotation marks and indicate the pages on which they are located in the cited sources [2, p. 103] (the list of references indicates the total number of pages in the source). Figures and tables may be included in the text. All figures and tables should indicate the text, a title, and a serial number.

The originality of the text should not be lower than 40%.

In case of non-compliance of the submitted article with the requirements for registration, the editorial committee has the right not to accept the work for publication in the conference proceedings.
