

**MINISTRY OF EDUCATION AND SCIENCE OF THE  
REPUBLIC OF KAZAKHSTAN  
KH. DOSMUKHAMEDOV ATYRAU UNIVERSITY**

**INFORMATION LETTER**

Kh.Dosmukhamedov Atyrau University on **November 10, 2022** holds the International Scientific and Practical Conference "**Trends in the development of physical and mathematical education: theoretical research and practical experience**", dedicated to the 70th anniversary of the Doctor of Pedagogical Sciences, Professor, Academician of the Academy of Sciences Karazhigitova T.A.

**The purpose of the conference:** discussion of new scientific and practical results of the use of technology in science, education and production; exchange of ideas, search for joint areas of research and strengthening of cooperation between educational, scientific and industrial organizations; establishing new contacts and attracting young people to scientific research.

Scientists, employees of research institutes, teachers of organizations of higher and secondary professional and pedagogical education, teachers-specialists of advanced training centers, teachers of pedagogical colleges, sociologists, teachers, psychologists, doctoral students, undergraduates are invited to participate in the conference.

**Within the framework of the International Scientific and Practical Conference, the work of the following sections is planned:**

1. The current state and prospects for the development of research in the physical and mathematical sciences and in the methodology of their teaching.
2. Innovative processes and modern technologies in teaching physical and mathematical sciences: school, college, university.
3. Integration orientation and differentiation in research and teaching of natural sciences.

**Conditions for the participation in the conference:**

□ To participate in the conference until **November 1, 2022**, you must submit the text of the article and an application to the e-mail address [conference.au.2022@mail.ru](mailto:conference.au.2022@mail.ru)

□ Application (according to the model);

□ Article in electronic form.

**Conference working languages:** Kazakh, Russian, English.

The organizing committee of the conference plans to publish a program and a collection of scientific papers.

Full information of the organizing committee and working groups of the conference will be posted on the university website [www.asu.edu.kz](http://www.asu.edu.kz).

### **Article requirements:**

Report materials should be at least 3 and no more than 5 completed pages typed in MS Word. Text font: Times New Roman, size - 12. Line spacing - 1.0. Page margins: left - 3 cm, right upper and lower - 2 cm. Interval - 1.15; Indent at the beginning of a paragraph - 1.25 cm; Pages are not numbered; Centered the topic of the report in bold; The line below, on the right edge, is the name of the author (authors); The line below is the academic degree, academic title; The line below is the name of the university; Line below the name of the institution; A line below the country and city; Line below e-mail. Key words in three languages are placed in italics (12 point size) on the next line. Further, a line below the summary in italics (2-3 sentences): for a report in Russian - in Kazakh. and English; for a report in English - in Russian, Kazakh; for a report on kaz. language - in English, Russian. languages. Through the interval from the red line, the text of the article. At the end of the article is a list of used literature;

Materials are sent to the e-mail address of the organizing committee with the name of the file and the name of the participant.

### **Sample article format:**
