

On April 5, 2022 (9:00 – 13:00), within the framework of the Science week of Atyrau university named after Kh.Dosmukhamedov, the teacher of the Department of music and art, candidate of art history Bakhyt Zholdybayevna Turmagambetova gave a master class to teachers of children's music schools of the region on the topic "Singing traditions of the western region".

The audience received a lot of information about Mukhit Meralieuly, Zhylyoy singers in the Mangistau region, and listened to songs that have been found, recorded and released in recent years, performed by famous artists of the Republic.

These lectures were attended by teachers and school principals from all districts of the region, as well as students of the university and traditional singers of the Atyrau regional philharmonic named after N. Zhanturin.

At the end of the meeting, about 50 participants were awarded certificates.

On April 5, 2022 (15:00), the youth of the Scientific school "Young musicologists" of the candidate of art history B. Zh.Turmagambetova published a collection of songs "singing with Dombra" as a result of the research project.

Folk songs written by 3rd year students of the specialty "folk song" G. Tel and A. Kalieva to the accompaniment of dombra were published in the university printing house.

The presentation tape of the book presentation was cut by the head of the Department of Science of the university Bakirbekova Aigul Makulbekkyzy and the teacher of the university, cultural worker of the Republic of Kazakhstan, conductor, kuishi Yestayev Tynyshbek Baigabyly.

The presentation of the book was attended by the ensemble of dombrists "Asem Konyr" under the leadership of the teacher of culture of the Republic of Kazakhstan Salingerey Sadykov, as well as the works of an experienced teacher, traditional singer Akkenzhe Shauzhanova.
