

Work plan for the 2022-2023 academic year
academic school

doctor of pedagogical sciences, professor of AU named after H. Dosmukhamedova,
academician of APNK Karazhigitova T. A.

"Improving the quality of mathematical education through the development of competence in the generalization and systematization of knowledge in the context of modern educational technologies",

Targets and goals:

1. Organization of training of teachers, students of pedagogical specialties and undergraduates of technology of the block-modular approach.
2. Organization of research work on the creation of individual methodological support for teaching mathematics to students in the context of the modern educational process
3. Registration of research results in the form of articles in scientific conferences
4. Assistance to teachers in organizing the research activities of schoolchildren
5. Work with undergraduates on research activities

2022-2023 e.

№	Topic of the lesson, terms	Members	Responsible for the organization	Completion Marks
1.	<p align="center">Topic: "Development of information competence of students in mathematics lessons in a modern school"</p> <p align="center">Attending classes and classes with undergraduates</p>	<p align="center">Mathematics school-lyceum №16 undergraduates</p>	<p align="center">Principal of school No. 16 named after. J. Karazhigitova Ph.D., prof. Karazhigitova T.A.</p>	
2	<p align="center">Topic: "Value orientations and development of functional literacy in mathematics lessons"</p>	<p align="center">Teachers, practical students, undergraduates</p>	<p align="center">Shazhdekeyeva N.K. Dulgerov S.P. Karazhigitova T.A.</p>	
3.	<p align="center">Work with students and teachers to implement a modern approach to the generalization and systematization of the material</p>	<p align="center">Together with teachers of mathematics and physicists</p>	<p align="center">Dulgerov S.P., Karazhigitova T.A. Tsoi S.I.</p>	
4.	<p align="center">Conducting lectures, a master class with teaching staff, followed by a discussion</p>	<p align="center">Together with school №1</p>	<p align="center">Karazhigitova T.A. Shazhdekeyeva N.K. , head teacher</p>	
5.	<p align="center">Classes for the preparation and description of PVE teachers</p>	<p align="center">Teachers of school-lyceum №16 and undergraduates</p>	<p align="center">Karazhigitova T.A. Dulgerov S.P.</p>	
6.	<p align="center">Master's and diploma works</p>	<p align="center">Teachers of school-lyceum №16 and undergraduates</p>	<p align="center">Karazhigitova T.A.</p>
